ULTIMATE KUNG FU

Tab' & Play!

BASIC RULES

Preparation

Get ready for combat by placing one Power Tattoo® of different colors on the inside of each forearm

GOAL OF THE GAME

Face your opponent and use your fingers to perform incredible fighting techniques and unleash the superpowers of your Power Tattoo to score points through your attacks. Win the combat by being the first person to score 5 points!

THE 5 FIGHTING TECHNIQUES

Always respect your opponent!

The Comet (5 fingers)

Is stronger than

The Snake (4 fingers)

Is stronger than

The Eagle (3 fingers)

Is stronger than

The Bull (2 fingers)

Is stronger than

The Sword (1 finger)

Is stronger than

Tip: Each fighting technique corresponds to a number of fingers (1 to 5). Each technique is stronger than the two techniques that come before it, as shown in the illustration above.

The combat:

Say the ritual phrase...

1

2

...and reveal your fighting technique at the same time.

The player with the strongest fighting technique scores 1 point

unless his fighting technique is identical to his Power Tattoo symbol (Sword, Bull and so on), in which case he scores 2 points.

If the 2 players reveal the same fighting technique, they do not score any points unless the player(s) has (have) a Power Tattoo with a green background applied on their arm, in which case they score 1 point.

Win the battle by being the first person to score 5 points!
